The screenshot shows the VEuPathDB homepage. At the top, there's a banner with the logo 'VEuPathDB' and the text 'Eukaryotic Pathogen, Vector & Host Informatics Resources'. Below the banner, the page title 'VEuPathDB' is displayed along with 'Release 68' and '7 May 2024'. A search bar at the top right contains the placeholder 'Site search, e.g. PF3D7_1133400 or *reductase or "binding protein"' with a magnifying glass icon. The main navigation menu includes 'My Strategies', 'Searches', 'Tools', 'My Workspace', 'Data', 'About', 'Help', and 'Contact Us'. On the far right, there are social media icons for X, Facebook, Twitter, YouTube, and a 'My Organism Preferences (785 of 785)' button. The left sidebar has a 'Search for...' section with 'expand all | collapse all' and a 'Filter the searches below...' dropdown. Below this are links for 'Genes', 'Organisms', 'Popset Isolate Sequences', 'Genomic Sequences', 'Genomic Segments', and 'ESTs'. The main content area features a 'Overview of Resources and Tools' section with icons for 'Take a Tour', 'Getting Started' (which is highlighted), 'Search Strategies', 'Genome Browser', 'Transcriptomic Resources', 'Phenotypic Data', 'Analyze My Data', and 'Downloads'. Below this is a 'Getting Started' section with text about the site's purpose and how to use it, followed by a 'SITE SEARCH' section and a note about the site search function.
